

## God's Kids Choir

**What:** We are excited to work with the amazing, musically talented kids who would like to serve and worship God using their musical gifts and talents to be a part of our spring musical performance.

**Who:** This opportunity is open to any 1<sup>st</sup> through 6<sup>th</sup> graders who desire to work hard and have fun praising God.

**When:** Choir will begin in October with rehearsals beginning at 6:00 pm until 6:45 pm on Wednesday evenings with additional rehearsals scheduled prior to our performance in March. These additional rehearsals are tentatively planned for March 9, March 17, and March 23. Tentative extra rehearsal for speaking roles are February 10 & 24. Our performance will be March 24 at 3 pm in the afternoon. Our last choir date for the year will be Wednesday, March 27<sup>th</sup>.

**What is required:** A desire to be a part of a team. We are asking that all those who join us be committed to being present and on time to all rehearsals. If you are unable to make rehearsals for any reason, please let us know so that we can plan and assign speaking parts and solos accordingly. To achieve the greatest success, we will need to consider attendance and personal commitment.

**Parents:** We are asking that all parents plan to commit to using their gifts and talents as well. Do you enjoy being creative, have musical talent, love to be an encourager, or want to help “behind the scenes?” Let us know where you would be most comfortable helping us serve and bless your kids with an amazing experience. We cannot do this without help. See below for what we are envisioning to be the areas where we will need help. Other opportunities may come up throughout the year.

Areas of service will include but are not limited to:

- Help with costuming
- Set up prior to rehearsals and performance
- Take down after rehearsals and performance
- Choreography
- Set design
- Work with soloists and those with speaking parts
- Snacks during longer rehearsals

**How much:** The cost of God's Kids choir will be \$15 per student with a \$30 maximum per family. This will help offset the cost of CD's and costuming for our production.

Fall 2018

Dear Parents,

We are excited for what God has in store for this upcoming year. We know it is going to be both challenging and rewarding, but our prayer is that all of God's Kids have fun and develop a growing passion for using their gifts and talents to praise and worship God.

Please pray along side us this year as we strive to follow where God is leading. It is with much prayer and a commitment to do our best that we are stepping out in faith and leading the choir this year. He has brought us this far, and we ask that each of you also commit to serve alongside us in some capacity to make this a successful year. Our vision is to have teams of people to help in the following areas: choreography, set up for rehearsals and performance, take down for rehearsals and performance, set design, costuming, and snacks during longer rehearsals. Please let us know where you are most comfortable serving and feel free to give us any input that would be helpful.

Since many of you may not know us, let us briefly introduce ourselves:

Danyelle Hubler: Homeschooling mother of 5 children ages 5-14, background in business administration and management and passionate about seeing children gain confidence in using their unique abilities to praise, worship, and serve.

Harriet Kielty: Homeschooling mother of 3 children ages 11-16, moonlights as an RN and loves to see kids experience the joy that comes with doing their best after working hard to complete a challenge.

The noticeable items missing from our brief introduction is any in-depth/formal experience with music. A wise man(Pastor Don) told us to not let that deter us. God will provide what is needed along the way. We both spent our formative years in choirs, musicals, and playing instruments and will draw from that experience along the way.

We covet your prayers as we work with all of our children and can't wait to see what God is going to do this year.
