

Session 1 – The End Times

Pastor Bruce begins session 1 by asking two questions. The first question was WHY should we study the end times? What three answers were provided:

The second question was HOW should we study the end times? After viewing the video how would you answer this question:

What did you learn about interpreting prophecy from the Jeremiah passage?

What did you learn about symbols and figurative language from the Isaiah passage?

What did you learn about prophecy from the Daniel passage?

What were the three guiding principles developed from this introduction:
