

End Times Session 11 – Revelation 15-16 (seven bowls)

Chapters 15 and 16 present the final outpouring of God's wrath before Christ's return. Oddly, chapter 15 is only eight verses long. It is a brief vision of heaven before we return to the earth in chapter 16.

Who is in heaven at this point and what is happening?

What do we learn from verse 8?

Chapter 16 records the seven bowls. They appear to come in rapid succession. They also effect the entirety of creation. Describe each of the seven bowls:

Bowl 1:

Bowl 2:

Bowl 3:

Bowl 4:

Bowl 5:

Bowl 6:

What takes place between the 6th and the 7th bowl?

Bowl 7:

How would you describe what is recorded in verses 16-21?

How do the Historicist, the Preterist, and the Idealist interpret the bowl judgments?
